2 bedroom Apartment in Moraira

Moraira, Alicante, Spain

Description

Fantastic apartment for sale in the center of Moraira.

This immaculate property is situated in an apartment block with elevator and its own underground garage. It has a great distribution with a large entrance hall that gives access to the right to a generous sized kitchen with a utility room.

The living room is situated next to the kitchen and also accessed via the entrance hall. The living room is very good sized, bright and has a spacious terrace at the front, which is the south side of the building, so sunny most of the day and with enough space for a table and chairs.

A corridor leads to a double guest room with fitted wardrobes, a family shower room and the master bedroom with its own en suite bathroom. All windows are double glazed and have shutters and the apartment has air conditioning hot/cold via conducts.

An underground parking and a store room are included in the price.

A good opportunity to acquire a very good sized property, to live all year round or as a rental investment in the heart of Moraira, a few steps from the beach and the yacht club.
